Thank you for the wonderful weekend in Petersham. . . I am still floating my way back to Earth! What an amazing group of people you had gathered together, and what a beautiful spot. The weekend was full of magical moments and experiences that I will hold dear in my heart forever; you are a fabulous teacher and have so much to share, I feel blessed to have had the opportunity to come to Earthlands and share in this opportunity to grow in spirit and learn with likeminded people! God bless you and the work that you do. K. MacNeil, New Hampshire
